BUSINESS & COMMERCIAL

HOUSEHOLD STORAGE

Removals with Storage

Many people moving home utilise our storage facilities, whether storing cherished items keeping them extra safe during the move, having somewhere to store furniture whilst settling in or last minute storage whilst temporarily moving into rented accommodation.

As always our emphasis is on flexibility, cost effectiveness and the ability to react quickly to our valued customers' needs, something we have become quite well known for over the years.

- Competitively priced
- Store by the week, month or year
- Large or medium pallets to accommodate any household storage from sofas and wardrobes to garden equipment
- Kept at a constant temperature, ensuring all items remain in pristine condition
- Items are individually wrapped as necessary with special wrapping for cherished or fragile items
- We can collect, pack and unload the items for you
- A full inventory is created for each container used
- Just leave it to us, we'll take care of everything for you!

Household U-Store

The perfect household storage solution, designed especially to provide cost effective storage for household items for the long or short-term. All you need to do is call us to discuss your requirements and we will recommend the right solution for you, whether a container or pallet, we arrange for it to be waiting for you in our loading bay when you arrive, ready for you.

Future access to your items is easy, just contact us and we will ensure your items are ready when you arrive. Regular access is free of charge.

- Low cost storage for the short or long term
- No need to carry your items to a waiting container, you simply unload from your car or van in our loading bay
- Free protective wrapping when using a container
- Collection and delivery available if required
- Packaging material is available to buy from us

Commercial Storage, Handling and Distribution

With such a wide range of storage solutions, commercial storage and handling is easy with Glasswells, simply contact us to discuss your exact requirements and we will tailor a practical solution for your business needs.

Internal Storage

From exhibition display items to long-term and on-going storage of retail goods or manufacturing components, we have a storage space of 15,000 sq ft and the capacity for up to 2,000 pallets all within the height of 10 metre eaves. Naturally we can adapt this area as necessary to suit your needs, with an option for you to manage your own stock or utilise our management and distribution services.

External Storage

The external yard is very secure, covered by CCTV and surrounded by high security fencing; it is perfect storage environment for cars, trailers, caravans, containers or other relevant items.

Working closely with you, our bespoke service allows you to relax and feel completely confident that your items are perfectly stored and managed.

- Leave it to the storage experts, we understand your on-going needs
- Cost effective, tailored solutions
- The centre is clean and kept at a constant temperature, ensuring that all items remain in pristine condition
- Fully protected with the latest security devices including CCTV
- Secure yard for outside storage
- Easy access with private loading and unloading
- Flexible terms

Business Archive Storage

We offer a wide range of archive and retrieval solutions, perfect for all types of business related items from accounts paperwork to historic customer files. Our lockable containers are offered at full or half height in addition to walk in containers, each holding 112 standard archive cartons.

Access to your archives is free at our storage and distribution centre, however we offer a retrieval service where we can have the right carton waiting for you on your arrival, or we can deliver it to your office, the choice is yours.

If you are unsure which solution is best for you, give us a call and we will consider the nature of your files, how confidential they are and suggest the best way to store them.

- Store by the week, month or year
- We can find a solution to suit your exact needs
- Free access during centre opening hours
- Retrieval service available for your convenience
