FUTURE DREAMS BEDROOM DESIGN COMPETITION

Information for Parents & Guardians

The Future Dreams Bedroom Design Competition is a fun and creative activity inviting children aged 5 to 15 to imagine what a futuristic bedroom might look like. This section provides parents and guardians with everything they need to know to support their child's entry.

Children can express their ideas in any artistic format they enjoy, whether that's a drawing, painting, digital design, or a mixed-media creation such as a collage. Alongside their artwork, they'll include a short description (up to 300 words) explaining the futuristic features they've chosen.

Once your child has completed their entry, it can be submitted either in-store or by email. Please ensure the entry form is filled in and that permission is given for your child to take part. With your consent, selected entries may also be displayed in-store or online as part of our celebration of children's creativity

Two winners will each receive a £150 Virgin Experience Days theme park trip, and two runner-ups will receive a £25 Glasswells toy shop gift card. The competition runs from 1st June to 19th July, with winners announced on 24th July.

We hope this competition offers a fun opportunity for children to explore their imagination and for families to enjoy a creative project together.

If at any point you're unsure about the process, the submission steps, or what your child needs to include, please feel free to contact us.
